Spring Free - Firm

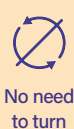

## Emma Diamond Spring Free Mattress

The Emma Diamond Spring Free mattress is one of the most advanced and luxurious models from the premium, retail-exclusive Select range. The top-of-the-range Emma Diamond Spring Free mattress features Diamond Degree® graphite infused cooling foam. This ground-breaking technology ingeniously utilises the high thermal conductivity of graphite to bring down the body temperature quickly and permanently to an ideal deep-sleep level.

Users benefit from hour 1 by getting up to 10% more deep sleep which means a perceptibly higher quality of sleep.

The Diamond Spring Free mattress offers outstanding comfort and support with luxurious, adaptive body contouring.

- 200 Night sleep trial
- 10 Year full guarantee
- Express delivery within 7 working days
- Depth - 29cm
- Premium SENSICE cool-touch cover with handles which is fully removeable and washable up to 40°C
- Ideal for sleepers who prefer a mattress that gently contours to their body shape
- Temperature regulating Diamond Degree® graphite-infused cooling foam for optimised, cooler and deeper sleep
- Adaptive Visco-elastic foam for precise pressure relief and unparalleled body contouring
- Zoned HRX foam for optimal body support
- Rolled and Vacuum packed for a hassle-free delivery
- Available in Single, Double, King and Super King
