

# TEMPUR ARC<sup>™</sup> STORAGE BED

Elevate your sleep with a bed that's truly yours – the TEMPUR Arc<sup>™</sup>. A series of beautifully-crafted bed bases, headboards, legs and colours – where design is perfectly in line with performance. Helping you create the perfect bed for you and your bedroom. A TEMPUR Arc<sup>™</sup> bed is the perfect complement to any TEMPUR<sup>®</sup> mattress and our unique system of bed bases and support types has been carefully designed to optimise the performance of your mattress.

Giving you the ultimate TEMPUR® sleep experience.

### **TEMPUR ARC™ STORAGE**

When bedroom space is in short supply, look no further than a TEMPUR Arc<sup>™</sup> Storage bed base. Not only do they look luxurious and elegant, but they conceal a wealth of practical storage inside. Perfect for hiding away bed linens and other items. Simply lift up the frame and stow away to your heart's content.

## **STOTAGE BED BASE**

A TEMPUR Arc<sup>™</sup> Storage bed isn't only designed for compact living. It's made for outstanding comfort and support. The bed's double-frame slat system works together with your TEMPUR<sup>®</sup> mattress to perfectly support your body while sleeping. Highquality steel tubing makes the bed frame reliably robust and durable. While wide-opening ottoman hinges ensure comfortable lifting and easy access to stored items inside. For the ultimate combination of storage and support.
