Willis & Gambier

Inspired by the 'old world' aesthetics of the Mediterranean coastline. Think sun drenched villages, cobbled tracks with wild Lavender and Olive groves. Casera is a contemporary, understated interpretation of this Mediterranean style. Relaxed and expertly crafted, it beautifully pairs hand woven natural rattan with the rich grain of American oak. Radiused mitred corners to the oak drawers and doors are subtly contrasted by the woven rattan in a warm natural palette. Linear burnished brass pull handles complete the look.
