

Duncan Collection

This collection is crafted from a combination of solid and veneered North American oak.

- The design combines rustic materials with clean, minimalist lines.
- Distinctive rustic character created using heat-treated 2.5mm cracked oak veneers
- Hand-antiqued and sanded finishes enhance depth and texture
- End-grain detailing on the tops adds authenticity to the collection
- Veneered construction ensures excellent long-term stability and prevents joints from opening over time
- Grain patterns are carefully continued from the top surfaces through to the ends, creating the appearance of solid timber
- Handmade and hand-finished construction ensures every piece is unique
- Additional brushing and distressing techniques create a warm, rustic finish
- The use of veneers minimises the risk of shrinkage and expansion associated with solid timber

4-Door Sideboard in Grey Oak

Dimensions:W200 x D45xH80

2-Door Sideboard in Grey Oak

Dimensions:W100 x D45xH80

Console Table in Grey Oak

Dimensions: L160 x W35 x H78
