LATEX

PILLOW COLLECTION

Latex is naturally derived and has been moulded with air pockets for breathability. It is supportive and pressure relieving, whilst having exceptional wicking and thermal qualities to help regulate body temperature. Latex is anti-microbial, anti-bacterial, biodegradable, recyclable and durable.

High Profile latex pillow

- Ideal for those who sleep on their sides and back.
- The High Profile latex pillow instantly cradles your head and neck providing superior comfort, support and pressure relief.
- Durable and keeps its shape.
- Breathable, keeping you cool and dry.

Low Profile latex pillow

- Ideal for those who sleep on their stomach and back.
- The Low Profile latex pillow fully supports your head and neck providing the greatest comfort, support and pressure relief.
- The pillow springs back into shape, fully maintaining support as you move.
