

STAMFORD.

Stamford is smart and sophisticated - yet warm, welcoming and neat. With immaculate tailored lines and considered back, seat and arm details, Stamford radiates cool mid-century character,

combining G Plan's signature comfort with pure style. Stamford's uniform, neat lines emit the sense of organization and structure; however, this suite offers undeniable comfort, bringing a sense of calm and tranquility to a living space. You also have the option of including accent fabrics on the inside arms of Stamford, a feature not available on any other sofa in the Jay Blades x G Plan collection, allowing your Stamford suite to become striking and curated completely to your taste.

CREATED WITH PERSONALITY.
DESIGNED FOR LIFE.
