

# Cosy Country

February 2020 Edition

---

Muted colours, washed and distressed woods, stripped back walls and floors, textural fabrics mixed with pretty cotton prints evoke all the things that connect this style with the cosy country interior....

A photograph of a modern bathroom. In the foreground, a white, bowl-shaped freestanding bathtub sits on a dark grey tiled floor. Behind the tub, a wall is covered in small, multi-colored mosaic tiles. A large, rustic wooden driftwood structure is mounted on the wall, with a horizontal beam extending over the tub. The lighting is soft and natural, highlighting the textures of the wood and tiles.
