# *Our top tips for transforming your home...*

## **1. Celebrate your space**

Consider your room arrangement and make every interior decision with this in mind. Whether your space is generous or more compact, contemporary or traditional, there is a whole range of furniture decisions and interior routes you can take to suit your dream home.

## **2. Colour is key**

Colour decisions can make or break the overall design of a room. For a fresh look that's bang on trend this season, opt for soft greys or muted tones with a burst of colour to add that contemporary feel to the room.

## **3. The power of accessories**

If you're not quite ready to take the plunge with something bold, play it safe and add an injection of colour to the room with accessories – pillows, throws and accessories that complement your sofa perfectly is a subtle way to achieve this.
